Rome - Art and entertainment at your fingertips

The location is just minutes away from the international airport of Fiumicino, the city centre, the congressional district of the EUR area with the Nuvola di Fuksas, and from the Fiera di Roma. So, not only within reach of the big business realities of the capital, but also excellent starting point to discover the artistic beauty of the historical centre. Walking through the shopping streets of Rome, visiting the Fori Imperiali or St. Peter's Basilica, being fascinated by the magical atmosphere of the city until late night, maybe visiting the excavations of the nearby Ostia Antica, or reaching the nice Pontine coast, creates an even more enjoyable contrast when you return to the halls and the environments of the Sheraton Parco de' Medici, ideal to relax and recover energy thanks to 4 panoramic restaurants, 3 Bar & Coffee Shops with terrace, 2 outdoor pools open in summer, and the Sheraton Fitness available to guests at all times of day. A particularly attentive service to the needs of the guests manages to impeccably personalize their holiday even in such large spaces, making each stay at the Sheraton Parco de' Medici a unique experience to be repeated.
